Additional/General Information

Welcome

You are now part of a great tradition that began in 1996. Louisiana New School Academy belongs to you, your parents and the community. I want you to be proud of what it stands for.

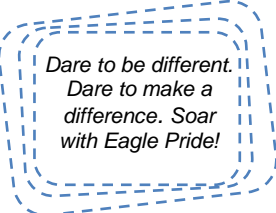

The Fundamentals

The Academy strives to make school a success for all students. Our missions is fundamental: begin with the basics, use instructive approaches which help children and youth develop needed social skills that lead to improved achievement and increased lifelong learning. Louisianan New School Academy uses a dual educational and therapeutic approach to teaching and learning. We offer a small class size for individual attention and a balanced and diverse curriculum. Important to our program is the involvement of the parent-teacher-child as a team. We will offer you a variety of academic, arts, vocational and athletic opportunities, but to be successful in this endeavor, I will need your help.

I ask that you come to school daily, on time, well groomed and in uniform. Strive daily to have the desire for success. I ask that you give your best effort in the classroom and that you strive to be a person of honor and integrity. In short, I expect you to always do the right thing. I expect you to have pride in your school and in your community. This is an important ingredient in becoming a productive citizen. The Lord's Prayer, Pledge of Allegiance, and our School Creed is recited every morning as a reminder of our freedom in country and the respect we should give to the Academy. Say the Lord's Prayer, Pledge, and School Creed with pride each day.

I challenge you to set high goals for yourself. I will expect a lot from you and we want you to expect a lot from us. Make academic achievement and getting along with others a priority. I look forward to meeting each and every one of you this year. It promised to be the best year ever at LANSA. Have a great year Eagles!

Valeria T. Thompson, B.S., M.A., A.B.D., Director

School Policies and Procedures

This informational handbook will define some of the policies of the Louisiana New School Academy as they relate to the Parent/Academy commitment to one another. This handbook is also developed as a means of communication between the home and school. There are many policies, regulations and services that are involved in the day-to-day operations of a school and it is our intent to answer your questions through this handbook. Please read and review the topics with your child(ren) and keep this information available for future reference.

Admissions: All students who are admitted into Louisiana New School Academy must submit the following documents and any required fees to the Business Office:

1. School Application
2. Birth certificate
3. Social Security Card
4. Immunization Records
5. Medical Insurance Card/Information
6. Proof of Residence (current utility bill showing name and physical address)
7. Drop slip from previous school

Admissions Interview: The interview is a critical part of admitting your child to the Academy. Schedule your admissions interview with the Receptionist. Interviews will not be scheduled until all required documentation has been reviewed by the Director. Depending upon scheduling, your interview may be held at the same day you register your child and submit all documentation.

School Visit/Tour: Arrange for a school visit or tour by speaking with the Receptionist at any time. The Academy has an open door policy. You may visit the school prior to submitting an application or at any time during the admissions process. Depending upon the time of year, speaking with individual teachers may be limited as we would not want to interrupt the flow of the school day.

Arrival and Release of Students

School Bus Arrival: Louisiana New School Academy provides bus transportation for your child. Riding the bus is privilege not a right and those who choose to ride must adhere to LANSAs transportation rules and regulations. Delinquent behavior will not be tolerated and is grounds for termination of bus transportation privileges and possible release from the Louisiana New School Academy program. LANSAs utilizes strategic drop off and pick up points for our bus riding students and we ask that the parents ensure that the child arrives in a timely manner to his/her drop off/pick up point.

School Bus Safety Regulations: These are general rules students shall follow while being transported to and from school or approved school related activities. Students on the bus must:

1. Never carry objects or implements which can be used as weapons.
2. Remain in your seat
3. Talk Softly and never use profane or indecent language
4. Do not fight, slap box or scuffle...keep your hands to yourself!
5. Have written permission from a parent/legal guardian and have it authorized by the Student Services Director, to get off at a stop other than your designated stop

Parents Driving Students to School: We ask that you encourage your child to enjoy each day as he or she arrives at the Academy. All students should arrive at the gymnasium entrance prior to homeroom class dismissals no earlier than **7:15 AM**. **Please do not bring your child to campus prior to this time, as there will be no adult supervision available for them and LANSAs will not be responsible for them prior to 7:15.**

STUDENT ATTENDANCE

Regular attendance and punctuality are important factors during your child's enrollment at the Academy. State Department of Education Attendance Regulations (Bulletin 741) mandate that school children be in attendance a minimum of 160 days of a given school year. Students missing more than (10) days during a semester or 20 days per school year will not be given credit for the courses taken. State law also mandates that the Academy report unexcused absences of 10 days or more to Child Protection, Family Court or Child Welfare and Attendance. Exceptions can only be made in the event of extended personal illness (verified by a physician) or other extenuating circumstances approved by the parish supervisor of Child Welfare and Attendance. Excuses for extended illness must be turned in within three(3) days after returning to school to the Office manager

First Period Attendance Check: Each teacher who has a first period class will record attendance and submit it at the end of the first period class to the front desk each day.

Roll call during the day: Beginning at second hour and continuing for each period throughout the day, each teacher will check student attendance and record in their roll books. If there are any questions regarding a student, a note or e-mail should be sent to the front desk.

Absentees: A student is excused for the following reasons only:

- Personal illness
- Religious holiday
- Natural catastrophe or disaster
- Death in family
- Serious illness in family

Any student who misses a class more than eight days in a semester will receive a grade of "F" for that class. Exceptions will be made for

school sponsored activities. All excused notes regarding absences must be presented within five days after the student returns to school. Students will not be allowed to make up class work or tests if the absence is unexcused.

Students who are checked out of school: At the very beginning of the school year, all students must have an emergency card filled out, signed by a parent, and filed in the Front Office. Students who have emergencies (sickness, doctor appointments, etc.) during the day must have a parent/legal guardian or the individual listed on the emergency card to check them out. This is to protect the students as well as the school. This card will be pulled out each time a parent wants to check their student out of school so that the check-out can be verified.

Steps to follow if your child is/will be absent from school:

- 1) Notify the front office. The parent/guardian must come inside the school building to sign the student out
- 2) The parent/student must make immediate plans with his/her teacher to do all make up work
- 3) Upon returning to school, the student must bring a written excuse signed by parent or guardian and/or a doctor's permission note to return to school. This must be submitted to the Front office
- 4) All students have three (3) days after returning to school to turn in an excuse (From parent and/or doctor).

STUDENTS ARE NOT ALLOWED TO CHECK THEMSELVES OUT OF SCHOOL FOR ANY REASON.

When a student checks out and returns the same day, he/she must bring something back to the front office. If he/she does not return until the next day, the student should bring a parent or doctor note to the Front Office

Tardiness: The school program for students begins at 8:00 am. If a student arrives after 8:10am they are considered tardy. Students arriving to school after this time must be escorted by his or her parents or legal guardian to the front office before being admitted to class. Parents need to know that if you do not walk your child in and sign them in, they will not be admitted to class and the parent/legal guardian will be called to sign them in. The Registrar and classroom teachers will mark the student with an unexcused absence and log the information for state review.

Tardy to Class: Your child must make every effort to be on time to class. No running is allowed. A student is tardy if he is one second or more late to his assigned class for the period. If your child is tardy to class, he or she is to report to the front desk to get a tardy slip and return to class. If your child is more than ten (10) minutes late, a class cut will be recorded and parents notified.

Disciplinary procedures for Tardiness:

Tardy to school:

1- 2 tardies	Verbal warning
3rd Tardy	Written warning
4 th Tardy	Conference with Director
5 th Tardy	2 Day suspension
6 th Tardy	Expulsion from the Academy

Uniforms at the Academy project a neat, serious, and business-like image.....The Director accepts NO other way!

Louisiana New School Academy maintains a strict uniform dress code for all students. Indifference to and disregard for the school dress code is primary grounds for dismissal from the LANSA program. The Academy will not be liable for lost, damaged or stolen articles of clothing, including shoes and sneakers.

Exceptional Student Services (Special Education) Discipline Procedures: *This section refers to students with disabilities as determined under the provisions of the Federal Individuals with Disabilities Education Improvement Act of 2004 (IDEA) and associated Louisiana Laws and regulation. All procedural safeguards afforded students without disabilities by law must be extended to students with disabilities and their parents. In addition, discipline procedures for students with disabilities must follow Louisiana's Regulations for Implementation of the Children with Exceptionalities Act (La, R,S, 17: 1942, et seq.), Title 28, Part XLIII, Bulletin 1706 Subpart 1- Regulations for Students with Disabilities (Section 530 et seq.)*

Exceptional Student Definition: A student is considered exceptional if he/she has been identified as having an exceptionality under Louisiana's Bulletin 1508-Pupil Appraisal handbook (Title 28, Part C1). Exceptionalities include disabilities and Gifted and Talented. Any student about whom the school system has a basis of knowledge, that the student is a student with a disability before the behavior that precipitate the disciplinary action, may assert the protections under the IDEA and Bulletin 1706, Subpart 1. Such protections *do not* apply to students who are exceptional only as Gifted and/or Talented.

Exceptional Student Seclusion and Restraint Policy (La. R.S. 17:416.21): LANSA recognizes that in order for students to receive an appropriate education, a safe learning environment needs to be provided. In doing so, LANSA understands that there are circumstances in school under which reasonable and appropriate measures and techniques will need to be employed in dealing with students with exceptionalities who pose an imminent risk of harm to self or others

LANSA fully supports the use of positive behavior interventions and support when addressing student behavior. LANSA reserves its right, however, to use physical restraint (Preventive Management of Aggressive Behaviors-PMAB) and/or isolation with supervision consistent with state law to address the behavior of a student with an exceptionality when school personnel reasonable believes the behavior poses an imminent risk of harm to the student or others. LANSA will not preclude the use of physical restraint and/or isolation with supervision performed consistent with the requirements of a student's Individualized Education Program (IEP) or behavior intervention/management plan. For the purposes of this policy:

- A. *Imminent risk of harm* means in immediate and impending threat of a person causing substantial physical injury to self or others
- B. *Isolation with supervision* means a procedure that isolates and confines a student in a separate room or area with a designated school staff member until he or she is no longer an immediate danger to self or others
- C. *Isolation room* means a room or other confined area used on an individual basis, in which a student is removed from the regular classroom setting for a limited time to allow the student the opportunity to regain control in a private setting and from which the student is involuntarily prevented from leaving.

The parent or legal guardian of a student who has been placed in isolation or physical restraint shall be notified as soon as possible.

Such notice shall include the reason for such isolation or restraint, the procedures used, the length of time of the student's isolation or restraint and the names and titles of any school employee involved.

All instances of isolation or restraint will be documented and placed in the student's file. A copy will be given to the parent or legal guardian.

Following any situation resulting in the use of isolation or restraint, a Functional Behavioral Assessment (FBA) will be considered. If a student is subject to use of isolation or restraint is involved in five (5) such incidents in the school year, the student's IEP team will review and revise the student's Behavior Intervention Plan to include any appropriate and necessary supports.

Change in Placement because of Disciplinary Removal: For a student with a disability, a change in placement occurs if (1) The removal is for more than ten(10) school days in a school year, (2) The students has been subjected to a series of removals that constitute a pattern because: (a) The series of removals total more than ten (10) school days in a school year, (b) the student's behavior is substantially similar to the student's behavior in previous incidents that resulted in the series of removals; and (c) of additional factors such as the length of each removal, the total amount of time the student has been removed, and proximity of the removals to one another

FOR A PROPOSED EXCLUSION OF MORE THAN 10 CONSECUTIVE DAYS, OR WHEN A PATTERN OF EXCLUSIONS HAS OCCURRED, OR UPON THE FOURTH EXCLUSION (SUSPENSION): The student's Special Education teacher must notify the parent of a Discipline Individualized Education Program (IEP) Team meeting. A Discipline IEP Team meeting must be held to determine if the behavior is a manifestation of the student's disability via a manifestation determination review (MDR). The IEP Team meeting must be appropriately constituted with, at a minimum, the following individuals: Officially designated

Representative (of the LANSAs Board of Directors), the principal or assistant principal, the student's Special Education Teacher, at least one of the student's Regular Education teachers, one or both parents of the student, the student (if appropriate) and an individual who can interpret the instructional implications of the student's evaluation results. This last individual may also be the Special Education teacher, Regular Education teacher, or any designated school personnel. Other individuals who have knowledge of special expertise regarding the student (e.g. related service personnel) may be included at the school system's or parent's discretion.

Note: If the parent does not attend the scheduled IEP Team meeting to participate in the MDR, the school will reschedule the meeting within three (3) school days. If the parent chooses not to attend or participate by phone in the rescheduled IEP Team meeting, the school personnel shall meet without the parent. Parents must be provided prior written notice of all IEP Team meetings.

If the IEP Team determines that the behavior which is the subject of the MDR is a manifestation of the student's disability, the student will not be suspended nor expelled. If the behavior is not a manifestation of the student's disability, the student is subject to the disciplinary consequences of a student without disabilities.

School personnel may order a change in placement of a student with a disability to an appropriate interim alternative educational setting (IAES) for not more than 45 school days, if the student (1) carries a weapon to or possesses a weapon at school, on school premises, or to or at a school function under the jurisdiction of LANSAs; (2) knowingly possesses or uses illegal drugs, or sells or solicits the sale of a controlled substance, while at school, on school premises, or at a school function under the jurisdiction of LANSAs; or (3) has inflicted bodily injury upon another person while at school, on school premises or at a school function under the jurisdiction of LANSAs. "Serious bodily injury", "controlled substance" and "weapon" shall have the definitions provided under federal law.

An Administrative Law Judge (ALJ) with the Louisiana Division of Administrative Law (DAL) may order a change in placement of a student with a disability to an appropriate IAES for not more than 45 school days. In order for the IAES placement to occur, the ALJ shall conduct an expedited due process hearing where the ALJ receives evidence from LANSAs and the parent, and the ALJ must have determined that, based on that evidence, maintaining the current placement of the student is substantially likely to result in injury to the student or to others.

EMERGENCY REMOVAL is used only when the student exhibits behavior which is deemed by school officials to pose a substantial danger to himself/herself or others. In no case can this removal last longer than nine (9) consecutive school days. During this removal period, school officials may also invoke an expedited due process hearing of the courts, if the school officials believe that maintaining the student in the current placement would be substantially likely to result in injury to the student or others.

Confidentiality of Records

1. Parents and legal guardians have the responsibility of producing required documentation, i.e. immunization records, birth certificate, social security cards, proof of income, transcripts from formal school, pediatric assessments, etc. within 30 days of acceptance to the academy. All required documentation must be in the student's official record for review by state licensing agencies.
2. Parents, legal guardians, and students over the age of 18 have the right to review, with the Director or Deans, all official files and data, which pertain to the student personally. Parents and legal guardians may challenge the accuracy of the data through a conference. The Academy will provide a response within 30 days of the parent/guardians written request.
3. No official record, file or data pertaining to any individual (student, faculty, staff) shall be released to anyone other than the student (18 years of age or older), parents, or legal guardian except as authorized by law, unless the student, parent or legal guardian has

presented a written release of such information to a particular person or agency.
